

Investigation Station

with Mrs. O'Connor and Ms. Frisch

WHO: First to Fifth Graders

WHAT: Investigation Station invites young scientists to ask questions, explore, experiment, and discover! Through hands on challenges, exciting experiments, and real world investigations, students will build curiosity, creativity, and problem solving skills while having fun with science each week.

WHEN: WEDNESDAYS, after school to 4:00 PM

WHERE: Mrs. O'Connor's Classroom (A156)
