

LEGO STEM CLUB

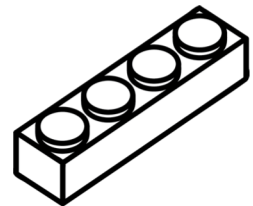

With
MRS. LOSTRACCO & MRS. DANIEL

Join our after school LEGO STEM Club!
Students will learn design and engineering, math, and teamwork skills using LEGO blocks. Each month we will create a theme for our Lego building that goes along with current Casis 1st grade learning topics and other exciting things. We will have S.T.E.M. (Science, Technology, Engineering, Math) challenges each month.

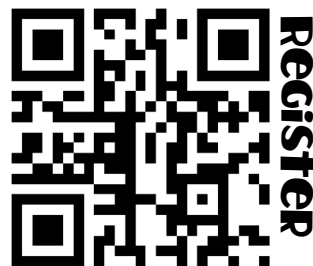

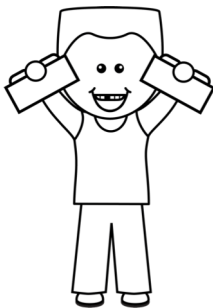

WHEN: THURSDAYS
WHERE: ROOM A-153

TIME: AFTER SCHOOL UNTIL 4PM
