

A decorative border of various science-related icons surrounds the central text. The icons include a syringe, a beaker with a flame, a molecular structure, a U-tube with a flame, a lightbulb, an atom, a globe, a microscope, a test tube rack with colored tubes, and a book. These icons are repeated along all four edges of the poster.

STORYLAB

WITH MS. DAVIS AND MRS. O'CONNOR

WHO: First to Fifth Graders

WHAT: StoryLab is where books come to life! Each meeting begins with an exciting read-aloud, followed by a hands-on STEM challenge inspired by the story. Students will imagine, design, build, and problem-solve while exploring science, technology, engineering, and creativity in a fun and engaging way.

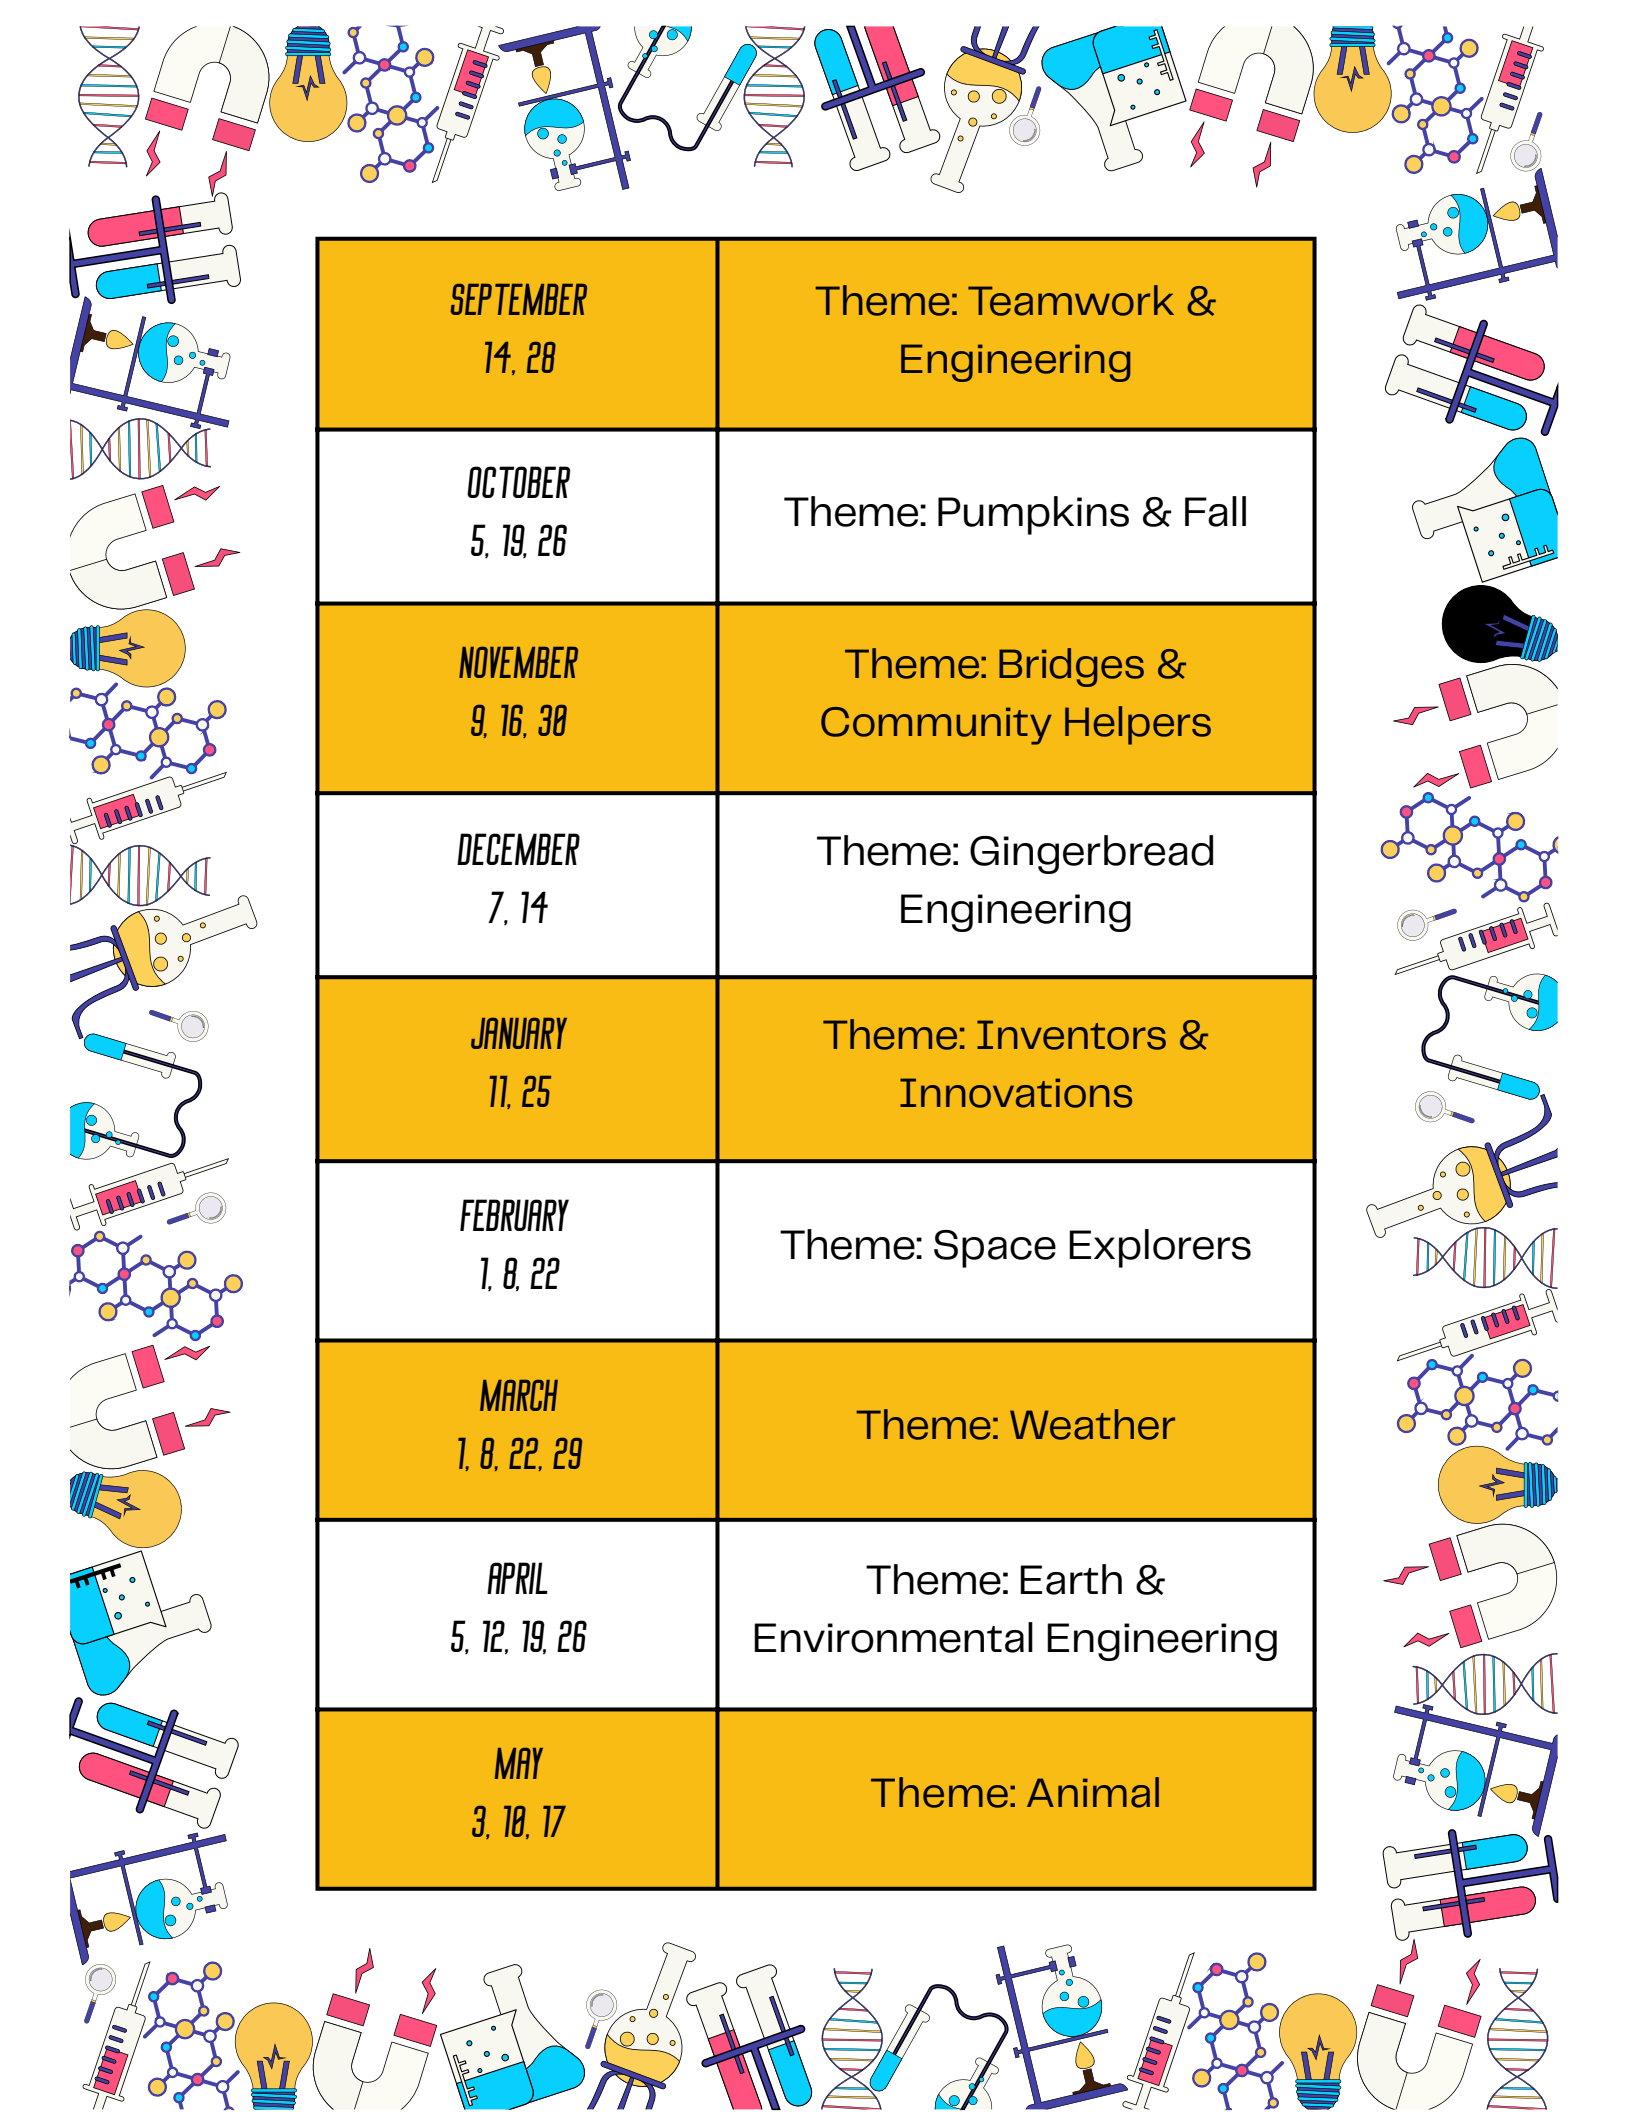

WHEN: MONDAYS, after school to 4:00 PM

WHERE: Mrs. O'Connor's Classroom (A156)
